1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Customer since December 2001.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The rate increase proposed by TCWS is excessive and should be denied given the company's poor service, commitment to repairs and upgrades, and questionable water quality issues. TCWS needs to fully detail and justify the rationale for this increase and also submit for public review their financial statements such that the effectiveness of their operations can be scrutinized.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No, we do not wish to speak at the public hearing. Please accept our Letter of Protest in lieu of commenting at the hearing.
